MEMORANDUM FOR: Chief, Foreign Document Division/00
THROUGH : Assistant Director for Operations
SUBJECT : Recurring non-Scientific or Technical Translated
Materials

1. I have been informed by the Office of Technical Services, Department of Commerce, that they are now prepared to distribute translated material of a non-scientific or technical nature in accord with the National Science Foundation's liberalization of the definition of science. NSF is now including certain social sciences in their scientific information program.

2. Would you be good enough to give me a list of publications which you issue in this new category and which would be appropriate for OTS distribution. Also let me have an estimate of non-recurring publications such as statistical handbooks, etc.

3. I am making similar requests of other Offices in the Agency so a consolidated answer will be given. You need not, therefore, provide a draft letter.
